

## Leg 7 Blackwall 14.5 km/9 mi

This leg travels from the Blackwall Aid Station down Dry Ridge Trail and the Blackwall Road on the way down to the highway. It continues across Hwy #3 and 1.5 km along the road that leads to Lightning Lake to the Frosty Aid Station. Views, long descent on road.

### Blackwall Aid Station

### Frosty Aid Station

- Relay exchange.
- Drop off your high visibility vest.

### Dry Ridge Trail

- Pick up your high visibility vest at the aid station.
- Head down Dry Ridge Trail.
- At the road, turn right.

### Blackwall Road

- Head down Blackwall Road staying on the left side facing traffic.
- At the highway, wait until the marshall lets you cross.
- Follow the resort road straight toward Lightning Lake.
- Cross a little bridge at 1.5 km and you reach the Windy Joe/PCT Trailhead and the Frosty Aid Station.
